

# M2 GLOBAL TECHNOLOGY, LTD. *NEWS RELEASE*

5714 Epsilon Drive, San Antonio, TX 78249 | Phone: 210-561-4800 | Fax: 210-561-4852 | sales@m2global.com | www.m2global.com

## RF Passive Microwave Component Division

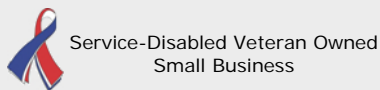

M2 is a leading supplier of passive microwave components, specializing in the design and manufacture of RF Circulators & Isolators. Our products cover the range of 380MHz to 40GHz and are available in Coaxial, Drop-In, or Waveguide configurations.

## Contract Manufacturing Division

Offering a wide variety of Contract Mfg services & can respond to your prototype, quick turn, and full-rate production requirements. M2 Global facilities include the latest in CNC precision machining, fabrications, welding, metal castings, brazing, and electro-mechanical assembly for materials ranging from sheet metal to plastics. Metal finishing includes complete chemical finish, paint, and silk-screening operations.

A Partner of Trilogy Defense Services [www.trilogy-ds.com](http://www.trilogy-ds.com), and selectee for the USAF's Manufacturing Technical Assistance Production Program (MTAPP) [www.selltoairforce.org](http://www.selltoairforce.org)

## M2 GLOBAL APPOINTS MANAGER OF ENGINEERING

August 8th, 2003  
San Antonio, TX

M2 Global Technology, Ltd. is pleased to announce that Anthony L. Edridge has joined the company as the Manager of Engineering.

A former engineering manager at Data Race, Inc. of San Antonio, Mr. Edridge has extensive experience in engineering, quality, and project management in a variety of fields (telecommunications, electronics, aerospace, and mining). His background also includes 13 years of research and development accomplishments.

Mr. Edridge's previous positions include vice president of engineering and systems at Sextant Electronics, Inc., & project engineer at Chamber Security Systems. He has also served as an engineering professional in the mining and aerospace industry. Mr. Edridge holds a Ph.D. in microwave physics from the University of Surry, England and a B.S. degree in electronics from the University of South Hampton, England.

Doug Carlberg, chairman of M2 Global's board of directors, notes, "Tony's broad experience in engineering and research and development within the telecommunications industry is a great asset that will help develop new products in markets for M2 Global."

M2 Global Technology is an SBA service disabled veteran-owned, AS9100 and ISO 9001-registered worldwide provider of contract manufacturing services and microwave passive components for the aerospace, defense, and telecommunications industries. For additional company information, please contact us at sales@m2global.com or visit our website at [www.m2global.com](http://www.m2global.com).

M2 Global Technology, Ltd. offices are located in San Antonio, Texas and Washington D.C.
